"Manufacturing like choosing furniture also requires great knowledge, passion and pleasure. We chose to design and produce products that will add value to our lives as our profession. We dedicate our life to this artistic quest. Our work is to stay up to date, to be one step ahead. We think, we design and we produce. Ndesign Furniture is growing day by day with the same excitement for you since 1983."

Army sofa, designed by Ndesign according to a concept in which refined elegance is always reconciled with comfort. Distinctive for its modern quilted processing the surface, upholstered with expert hand stitching, the Army sofa is soft and welcoming thanks to the special fabric options and its smooth lines.

ARMY

SACRAMENTO

Sacramento Collection which mixing combination wood grain walnut veneer matte pebble stone paint lacquer and bronz metal with sophisticated and qualified design details, impresses with its stylish style.It adds a unique elegance to living spaces with the eye-catching touches of contemporary decoration.

DESIGNER:
ÜMRAN AYDIN

SACRAMENTO

SACRAMENTO

The bronze details of the cabinet with smoked mirror sliding shutter and the geometric linear details of the handcrafted bed base make a strong impression in the space. While the bedside table in cubic lines emphasizes the refined aesthetics of the collection, a dresser which has accessory display and dressing mirror complete the space as a stylish detail.

OCEAN

Ocean, which has taken its attractive structure from its sliced form and will be the favorite of this year by leaving its counterparts behind with its unique design, is ready to take its place in the most beautiful corner of your home with its soft and comfortable back design.

RUBY

The Ruby Collection offers the charm of broken and amorphose forms to your living spaces with its simple and stylish lacquer color, while the flowing texture of its marble-looking texture adds a dynamic atmosphere to the environment. It promises dazzling elegance with its glass table and glass coffee table options.

PEARL

Distinguished by its elegant and uncompromising style, pearl sofa will take the lead role in your favorite corner of your home. Thanks to its strong leg structure and wide seating, it will offer you the most pleasant state of comfort.

FERN

The fern collection is designed for those who prefer a combination of functionality and comfort in modern living spaces. The fern offers dynamic solutions to the user with its armchair, pouf and coffee table acces, while adapting easily to the space with its modular structure. In addition to being a double bed, it also makes your life easier with storage space.

DESIGNER:
ÜMRAN AYDIN

BISCOTTI

BISCOTTI

Biscotti collection is designed blending the timelessness of walnut with the elegance of metal for those who dream of a contemporary living space. Biscotti collection which aiming to make a difference in your home with its strong craftsmanship and texture brings elegance and sparkle to your home with a warm and intimate ambience, as well as smoked glass and metal details.

DESIGNER:
GİZEM KARAAĞAÇ

COPPER & PECAN

Copper sofa which combine modernism with maximum comfort gives the space a dynamic look. The Copper sofa with curved linear lines brings elegance and comfort to the center of life with its special seating cushions, which are designed for perfect enjoyment in every detail and give exclusive comfort, form and fixed upholstery techniques that create an unusual appearance.

MARMALADE

Marmalade sofa, which has a cross-trend design language, was designed to evoke an out-of-time ambience in your living spaces.

Marmalade, which highlights its characteristic line when its simple lines and sewing details are put under the lens, gives a rich look to the spaces where it is located.

MARMALADE

Designed with the combination of natural colors with simple forms, Marmalade creates a timeless perception in spaces while at the same time evoking a sense of depth. In the collection where soft lines are preferred, the use of handmade and luxury materials adds value to living spaces.

DESIGNER:
HALİT ÇELİKOĞULLARI

MARMALADE

ASH & MONACO

Ash sofa is designed for those who want to experience elegance and functionality in their living space at the same time. The fact that it can be easily turned into a bed without difficulty with its electric mechanism distinguishes the Ash seat from other seats with mechanisms, and it attracts the eye with its well-thought-out flexible form.

DESIGNER:
HALİT ÇELİKOĞULLARI

CLAY

Warmth, comfort, tranquility, sincerity... This is how the Scandinavian philosophy of hygge describes a house. The Clay Collection, which is a reflection of the Japandi style created by combining the scandi design concept dominated by simplicity and Japanese minimalism.

CLAY

Clay Collection aims to bring peace and tranquility to your homes with its wicker details and natural wood texture. The coffee tables, inspired by the Japanese philosophy of Kintsugi, where broken ceramics are mended with gold. It reflects the beauty of flaws and reminds us that our frustrations strengthen and beautify us..

DESIGNER:
HALE BETÜL GÜLEÇ

PUMPKIN

Pumpkin sofa is designed to achieve a warm, friendly and natural ambience, which is the main fiction of the Cosy life philosophy. It aims to add a warm and dynamic atmosphere to the environment with its puffy appearance and soft feel, as well as wooden leg details.

DESIGNER:
GİZEM KARAAĞAÇ

GARNET &RİGA

Garnet is designed with forms and textures that will make the user feel free and spacious. It combines high-quality materials and fine craftsmanship techniques, offering a timeless and friendly ambience. The circular soft forms of wood and the calming color palette will embrace living spaces influenced by the desire to be in touch with nature and the outdoors.

DESIGNER:
ÜMRAN AYDIN

SAND

Sand corner will be a great choice for those who want to experience elegance and ergonomics at the same time. It is a candidate to stand out in the latest fashion trends with its minimal and stylish details.

BELIZE

AMALFI

CAPRI

Combining the natural texture of wood with geometric forms, the modern massive collection brings a contemporary and refined elegance to living spaces. Combining design and craft with sustainable production methods, offers a modern and simple decoration concept.

BLUSH

Blush aims to provide elegance to living spaces with combining circular forms and metallic details.. While the collection consists of many pieces such as bookshelves ,a side table with lighting, a console and a dresser, it gives glamorous touches to interiors with its simplicity.

DESIGNER:
HALE BETÜL GÜLEÇ

BLUSH

Blush bedroom brings together geometric forms and functionality. Warm greige lacquer palette, velvet covered bed base, applique details, Makeup mirror with lighting and magnifying mirror and functional units in the closet such as accessories, shoes adds value to your living spaces. . Reflected glass and lacquer cabinet door options provide a flexible dressing room with modules in different sizes.

MACAROON

DESIGNER:
HALE BETÜL GÜLEÇ

The neotenic soft form of the macaroon gives the interior a dynamic and striking harmony, keeping comfort at the forefront. Their natural curves and modular systems give functionality and fluency to the interiors. Sweet, fluffy, childlike Macaroon evokes feeling of happiness.

MINT

Mint sofa provides a functional and comfortable sitting experience with its minimal dimensions, curved lines and sofa-bed mechanism .

CLOUD

Cloud, which creates a different and aesthetic perception in your living spaces with its full and organic form, has a comfortable back structure as well as allows for different seating options with its stretching structure.

COCONUT

Coconut, which stands out with its eye-filling form, is a candidate to be the most pleasant complement in your living spaces with session comfort and brass metal foot structure.

MARBELLA

The Marbella coffee table aims to add pleasure to your living spaces by combining the warmth of walnuts with the modern and dynamic effect of terrazo.

ANCHOR

Anchor sofa is designed for those who are looking for a difference in their living spaces with its elegant line and special sewing techniques. This sofa fills the eye with sofas warm and friendly structure while carrying its modern and sophisticated style to your homes. While the metal leg details giving rich and elegant effect also adds a stylish atmosphere to the living spaces.
